

**CS 4370/5370 Biological Data Science Semester Project  
Spring 2019**

**IMPORTANT:** Clearly indicate outside resources utilized and sign below. Website addresses must be typed. Failure to cite use of outside resources will be reported for appropriate disciplinary actions. If any ideas were borrowed from other individuals, be sure to name the person and clearly describe their contribution. Use an additional page if needed.

I hereby certify that any outside resources utilized, other than suggested textbooks and class materials, are clearly cited. All other material I provide for this project submission is my own original work.
